

Mitera

Mitra Manesh is a senior mindfulness educator at UCLA's Mindful Awareness Research Center, known for her storytelling and innovative teachings. For almost 4 decades she has been helping people of all ages and many different cultures to live, love, and lead more consciously.

Mitra is also the creator of Mindful Attentionist Coaching (MAC) programs—self-coaching & professional coaching—an inside-out deep dive into a life of choice and wellbeing. She is the host of “Lights On”, a podcast offering practical education for a mindful life at home and at work, as well as a senior coach to many well-known and unknown happy people.

Her work is a blend of Western professional training and Eastern inner-based practices. The result is a unique approach offering knowledge & wisdom in a practical and empowering way. Her personal and corporate clients range from individuals seeking peace at home and work, to celebrities seeking balance, to institutions and other entities.

Beyond mindfulness and corporate work, Mitra has been a Human Right Commissioner in Ontario, Canada, a commentator/panelist for CBC and Omni TV, and an executive for numerous non-profit and for-profit entities.

“Mitra Manesh has an amazing gift for helping people get clear about what’s holding them back, and how best to move forward. I recommend her highly.

Producer, Writer of Modern Family

MITRA'S SERVICES

- **Keynote Speaking:**

Mitra is a powerful and engaging speaker with a gift for connecting to audiences large and small. She knows how to make mindfulness fresh, accessible, relevant and fun for people of all backgrounds and levels of experience.

- **Grooming Global Self & Professional Coaches:**

Mitra is the creator of the Mindful Attentionist Coaching (M.A.C) program, an inside-out intensive 3-month blueprint for deep work in self-coaching. Graduates of MAC Self-Coaching program are able to continue their studying for another 3 months and become professional Mindful Attentionist Coaches.

- **UCLA Collaborative & other workshops:**

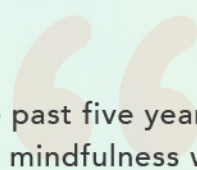

Mitra offers online classes and workshops in collaboration with UCLA Semel Institute for Neuroscience & Human Behavior, Mindful Awareness Research Center for a practical and playful journey to the world of mindfulness. Events are open to all.

- **Mindfulness-Based Coaching:**

Mitra provides online Mindfulness-Based Personal Coaching. She helps you clarify the deeper and bigger picture of your life, from "where you are now" to "where you would like to be". She guides you through an inner shift and outer process to help you bridge the gap and achieve lasting and meaningful results.

- **Executive Coaching:**

Mitra's "Attentionist" Executive Coaching is distinct from other types of coaching. It guides you through knowing yourself better, realizing your wider options, and making mindful choices that add to the health, wealth, and wisdom of you and your organization.

For the past five years, Mitra Manesh mindfulness work and teachings have guided me in ways no one else has been able to. She has a unique ability to strip down a problem to its core and come up with a practical & tangible approach to handling it. No matter the issue, the subject, or the magnitude, Mitra makes any resolution feel attainable. There is also no one better at teaching the importance of self-love, and the basis of how to practice that. She truly is magic – I trust she could guide anyone on any type of problem, hurdle, or concern, in a way few others could.

About Listening

I refer to Mitra as my “magician”. I marvel at her assessments of me exactly as I would if I was watching a perfectly executed card trick. Except there are no tricks here. Mitra is a skilled technician who specializes in precision when guiding her clients toward that “aha” moment of clarity. My time with Mitra has completely transformed my life. I am forever grateful to Mitra and full-heartedly recommend her magical services to anyone looking to live a life more fulfilled.
